PRICE TWO CENTS

OFFICE SEEKERS STARTING WORK

Saturday First Day For Candidates to Circulate Petitions.

CHAIRMEN GET NOTICES

Robert C. Miller And Charles Williams, County Leaders, Informed of Officers to be Chosen.

Political activity which has been at a comparative standstill in Adams county since the exciting general election last November will again start on Saturday when candidates for the primary election are given the privilege of procuring signatures for their petitions.

George W. Baker, clerk of the county commissioners, recently announced that he was ready to supply petitions for the various offices to be nominated and elected on May 18 and a number of men at once availed themselves of their opportunity in order to start work at once on Saturday.

The time for circulating and filing petitions for places on the primary ballot for May 18, which must be filed with the secretary of the commonwealth, will extend from February 28 to April 8. The time for circulating and filing petitions for party offices such as committeemen, which must be filed with the county commissioners, will extend from March 11 to April 20.

The days for registration and enrollment of voters in boroughs and townships will be March 16 and 17. The last registration days for cities in advance of the primary will be in April.

Another thing that has excited political comment is that Robert C. Miller and Charles Williams, Adams county chairmen of their respective parties, have received official announcements from Republican and Democratic state headquarters.

The letters received by both chairmen read as follows:

"Enclosed you will find copies of the calls to the electors of Pennsylvania relative to the nomination of candidates for the offices of United States Senator, State Treasurer, Auditor General, four representatives in Congress at large, twelve delegates and twelve alternates at large, as well as two delegates and two alternates from each Congressional district to the national convention."

The Republican national convention will be held in Chicago on June 8 and Democratic convention in San Francisco twenty days later.

In addition to the offices named above one member of Congress, one State Senator, one general assemblyman and members of the state and county committees will be chosen by each party.

FIRST PRACTICE TONIGHT

Odd Fellows And American Legion Cast Begin Work For Play.

Tonight at 7:00 o'clock the cast of characters for the minstrel show of the American Legion and Odd Fellows will meet in the Odd Fellows' room to commence practice for their minstrel show which will be given at the Lincoln Way theater on April 5 and 6 for the benefit of both organizations.

The men who are to appear in the production will continue to practice in the Odd Fellows' rooms every Wednesday and Friday nights until a short time before April 5 when they will hold a final rehearsal on the stage of the Lincoln Way theater.

DR. WENTZ SPEAKER

Will Address Meeting of Parent-Teachers in Hanover.

Dr. Abdel Wentz, teacher of philosophy at the Theological Seminary, will be the speaker at the Parent-Teachers' meeting to be held Friday evening in the Hanover High School building, at 8 o'clock.

STUDENTS EAT IN ARMY FASHION

Commissioner Martin Ordered Men to Stay Within Campus Limits.

BROUGHT SERVICE STOVES

Inmates of Two Dormitories Have Left Town. College Officials Pleased By Action of Dr. Martin.

Beginning with today the students still confined on the college campus will eat their "chow" in regular army fashion and will not go to town boarding houses as was their previous practice during the scarlet fever observation quarantine.

This order was handed down by Dr. Edward Martin, state health commissioner, who visited Gettysburg on Thursday in order to make a personal survey of the situation which resulted in the students being confined to the campus during the past week.

Believing that a strict quarantine might be necessary Dr. Martin brought with him four army stoves and sufficient additional equipment to feed two hundred and fifty men. After a consultation with Dr. Bruce McCreary, state health department representative and local health authorities who have been in charge of the scarlet fever situation here, Dr. Martin decided, however, that the food would not have to be cooked upon the campus.

So the stoves are used now merely to heat water to wash dishes and the food is cooked in town boarding houses and brought out to the campus by delegated students who distribute it among their comrades in real army style.

The only men having to undergo this process are the inmates of Pennsylvania Hall and Cottage Hall, who according to an announcement of the local board of health will be in confinement until Monday and Thursday, respectively, and the boys confined in the gymnasium as suspects. All of these inmates looked with envy upon the occupants of McKnight Hall and Stevens Hall who flocked to every train leaving Gettysburg this morning, shouting derisive farewells at their fellow students who will not be at liberty for several more days.

Dr. William A. Granville, president of the college, and other officials of the institution were greatly pleased with the way Commissioner Martin handled the situation by allowing the boys to go home ten days after the latest scarlet fever case in their particular dormitory. "Dr. Martin showed great consideration toward us," said Dr. Granville, "and at the same time took no action that would prove harmful to the community at large."

Dr. J. Bruce McCreary was also complimented by the college officials for his efficient service since taking charge of the situation here.

According to reports from college the patients in the infirmary and in the gymnasium are getting along splendidly and little fear is expressed of further cases. "The way it looks now," it was said at the institution, "the scarlet fever scare has ended."

Time for the re-opening of school is indefinite.

RAISING THE MONEY

Waynesboro Fans Making Progress in Raising \$6,000 Fund.

Reports from Waynesboro indicate that the goal—\$6,000 necessary to put a team in the Blue Ridge league will be reached. A meeting was held Thursday night to discuss plans for making the canvass for funds which will assure Waynesboro baseball this summer.

BRITISH MAKE INQUIRY

(By Associated Press) Washington, February 27—Formal inquiry was made by the British Embassy at State Department today as to the acceptability of Sir Auckland Geddes, now minister of national service and reconstruction, as the British Ambassador to the United States.

LEGION TO VOTE ON QUESTIONS

Topics Being Submitted to Posts, Prohibition, Bonus And Universal Training.

Five important questions are being presented to the four millions of ex-service men in the United States through the American Legion by the editorial staff of the "Home Sector," a magazine conducted by the former staff of the "Stars and Stripes," the doughboy's magazine in France.

The five big questions are: Do you favor prohibition? Do you favor a military president? Do you favor compulsory military training?

Do you favor the proposed \$50 per month service bonus? Do you favor the prohibition of tobacco?

Although the Albert Lentz post has not yet received its questionnaire they have been sent out and it is probable the post will vote on these questions at their March meeting.

The Waynesboro post of the American Legion acted on the questions by voting in favor of prohibition, but only by a small majority. They did not favor a military man for president but the majority of the members favored compulsory military training. There was a decided split in opinion on the \$50 a month bonus but it was passed by a slight majority. The vote for tobacco closely approached being unanimous.

A compilation of the returns on these questions will be studied diligently by politicians who realize what the effect may be of this great army of men in the voting next fall.

START SEASON MAY FIRST

Gettysburg Independents Will Canvass Business Men For Funds.

That the season of the Gettysburg Independents shall start about May first and that a canvass for funds to aid in financing the team be made among the business men of town was definitely decided at a meeting of the baseball players at the residence of Manager John Raymond on Thursday night.

Besides talking over plans preliminary to the starting of the season the players elected Clarence Crofter, outfielder, assistant manager and elevated Clyde Plank, pitcher, a nephew of Eddie and Ira Plank, to the position of captain of the nine.

It was decided that at the end of the season twenty five per cent of the net earnings would be given over to the Kurtz Playground Association for the use of their diamond.

After the business meeting Manager Raymond served refreshments to all the players.

WILL SUPPORT SPROUL

Franklin County Men Announce Candidacy as Delegates.

J. Donald Appleby, Mount Union, and Dr. Guy P. Asper, Chambersburg, have announced their candidacy for national delegates from the Seventeenth congressional district and pledge their support to Governor Sproul with General Leonard Wood as a second choice, believing that he will best represent the same, constructive and progressive policies of Governor Sproul.

The candidacy of Messrs. Appleby and Asper is the result of the political conference called at the Penn Harris hotel in Harrisburg several months ago by Gifford Pinchot.

REAL ESTATE TRANSFER

The Gettysburg Realty and Housing Corporation has bought two lots on Fourth street from Frank M. Patterson, and Philip A. Haler has purchased 121 acres and 110 perches of real estate in Franklin township from John C. Shealer, according to deeds recorded today by Horace E. Smiley, register and recorder.

THERE will be a box social, with cake, ice cream and candy, for the benefit of the Armenians held at Bender's School, Tuesday evening, March 2nd. Come and bring boxes.—advertisement 1

COUNTY SCHOOLS WILL SOON CLOSE

Within Month Rural Schools Will Have Finished Courses.

GIVE EXAMINATION DATES

District Spelling Contests in Two Weeks. Entrance Examinations March 27. County Spellers Here March 20.

Within a month many of the rural schools of Adams county will finish their work for the year. Examinations and spelling bees in preparation for the district and county spelling contests are now occupying the attention of most of the pupils.

On March 13 the district spelling contests will be held in each of the thirty four school districts in the county at which time those who are to appear in the final contest here on March 20 will be selected.

Each district will send all pupils who pass the preliminary spelling contest with a grade of ninety eight per cent or more to Gettysburg for county contest. These students will receive the district spelling diploma and those who pass the county contest with a similar grade will receive the county diploma. Five of these contestants who rank first on the list will be awarded special prizes.

Immediately following the spelling contests the final examinations will take place. In ten different school houses in various sections of the county on March 27 the central examinations will be held under the direction of a committee of teachers. Successful students in these tests receive the regular common school diploma and the high school entrance certificate. These examinations will be held at the following places:

Abbottstown, Arendtsville, Biglerville, East Berlin, Fairfield, Littlestown, New Oxford, Sand Hill, York Springs and Gettysburg.

The final examinations will take place on April 3 in the High School here and will be in charge of Superintendent H. Milton Roth, Assistant Superintendent Raymond Shank and a committee of High School principals.

Practically all rural schools will have finished the prescribed courses by March 22 with the exception of those few where the teacher was forced to suspend classes on account of illness. No epidemics such as last year interfered with the school work this year and for the first time in three years a majority of the rural schools will close at the regular time.

Superintendent Roth is now urging the teachers to plan their summer work so that part of the vacation time can be given to training. As has been the case for the past number of

(Continued on Seventh Page.)

SPOKE AT ST. JAMES

Rev. Joel E. Grubb, Former Student, Delivered Forceful Sermon.

Rev. Joel E. Grubb, graduate of both college and seminary here, now pastor of the Second Lutheran church, of Baltimore, occupied the pulpit in the St. James church Thursday night and delivered a strong sermon as the fifth in the series of twelve "Deeper Life" meetings. He chose for his subject "The Great Opportunity" in the course of which he criticized those persons, especially business men who place their business or pleasure before religion. He said in many towns immoral practices are permitted to exist because church members are afraid to take a definite stand for fear of injuring their business.

Mr. Grubb will occupy the pulpit again tonight and will speak on the subject "The Love of God."

Mrs. E. H. Monroe will speak at the deeper life meeting on Saturday taking for her subject "Deeper Life Through Larger Service."

FOR SALE: two sows will have second litter by middle of March. Male hog will weigh about 200 pounds. Chas. I. Riley, Gettysburg, Route 8.—advertisement 1

FOR RENT: new eight room house to family with girls over fourteen. Steady employment to entire family. Guaranteed throughout year. Penn-Tile Works, Aspers.—advertisement 1

NO HALT NOTICED IN BUILDING BOOM

High Prices Have Little Effect on Construction. Other Towns Feel It.

In spite of the great need for homes in many towns in the counties surrounding Gettysburg there will not be extensive building campaigns this spring due to the high cost of material and the increased expense of construction, according to reports from various nearby cities.

This situation, however, does not exist here for the extensive building schedule that was started here last year is to be continued during the summer more rapidly than ever before. In fact the severe weather of the winter did not bring the operations to a complete halt. With two large apartment houses underway and another to be started soon after the first of April housing facilities for at least twenty families will be provided by this means. At the same time the work of building semi-detached houses which has been undertaken by the Gettysburg Realty and Housing corporation is progressing and a number of these will be ready for occupancy in May.

The first houses which are rapidly being completed, however, are only the start of an extensive program of construction which will provide thirty or forty new homes for the new residents who are contemplating moving here.

Gettysburg's building boom is continuing despite the increased prices. It is said lumber has increased in price at least 300 per cent in the last three years. Common lumber that formerly sold for \$20 a thousand feet is now \$60 or more and the finer grades used for finishing and flooring in some cases have increased from \$70 to as high as \$285 a thousand feet.

WOMEN ARE INSTRUCTED

Prospective Voters Listen to Talk on County Government.

"Borough, Township and County Government" was explained by William Arch McClean at the opening meeting of the Adams county branch of the Pennsylvania League of Women Voters held in the High School building on Thursday night.

A very satisfactory audience including a fair representation of men was at the meeting which was the first of a series for the purpose of instructing women who expect to vote in the near future.

At the end of the address the audience which numbered about fifty had the privilege of asking questions one of which was: "After declaring herself a Republican or Democrat at the primary election would that voter be bound to her respective party at the general election in the fall?"

On March 4 Representative C. Arthur Grist will speak on "State Government."

PREMIERS REPLY

Required Short Time To Draft Answer to Wilson.

(By Associated Press) Washington, February 27—The reply of the British and French premiers on Adriatic questions was received today at State Department. It was sent to the White House immediately after being decoded.

State Department officials would give no intimation as to the nature of the reply which was drafted within twenty four hours after the premiers had received President Wilson's note. In that note the president adhered to his former position that unless the Adriatic settlement of December 9 was restored in principle he would have to consider withdrawing the Peace Treaty and the French American alliance from the Senate.

FARMERS OPPOSE SAVING OF LIGHT

State Association Goes on Record Against Laws to Change Time.

WILL LOWER PRODUCTION

Secretary Rasmussen Tells Delegates of Ravages of Anguimois Moth. Favors Fixing Price of Wheat.

Opposition to daylight saving laws and ordinances will be endorsed by virtually all Adams county farmers and residents in the smaller towns was manifested Thursday at Harrisburg in the annual convention of the State Threshermen's and Farmers' Association and resolutions were adopted protesting against any application of such regulations to transportation and postal service and farm labor. The resolutions declared that while the change might be advantageous to factories and mercantile establishments it was a drawback to the farmer.

It was contended that the farm labor cannot be held after the time the industrial workers in the towns stop work and that farmers in industrial sections have a difficult time in securing help to get his work done. It was further pointed out that the general establishment of daylight saving would cause a reduction in the amount of foodstuffs produced on the farm.

The association also adopted resolutions to withhold support as a body and as individual members from legislative candidates "antagonistic" to the use of the roads of the State for the movement of farm machinery.

The richest wheat-yielding farms of Eastern Pennsylvania will become useless for the production of wheat within five years and will have to be used for other crops unless effective means are adopted for wiping out the Anguimois moth, declared Secretary Frederick Rasmussen, of the State Department of Agriculture at one of the meetings of the convention. The Secretary said that from 5 to 50 per cent of the wheat raised on these farms today is being destroyed by this pest and he cited several methods for checking its ravages.

The Secretary said he is in favor of the government setting a fixed price for wheat again this year, at the same price as 1919, \$2.20 a bushel.

E. S. Bayard, editor of The American Stockman and Farmer, warned against Bolshevism in business, declaring the arbitrary fixing of prices for products is bound to be ruinous ultimately. He said prices must be fixed on the economic law of demand and supply.

SEEK MASTER CRIMINAL

Arnstien Helped Steal Five Million Dollars.

(By Associated Press) New York, February 27—Information that Nicholas Arnstien, described by the police as the "master crime" in a \$5,000,000 theft, is in Toledo and will be arrested or surrendered within twenty four hours was received today by District Attorney Swann. Arnstien who is specifically charged with receiving \$42,000 worth of stolen bonds was in Cleveland Tuesday night according to information furnished by his attorney. His wife, Fannie Brice, a musical comedy actress, has promised to try to induce him to return.

BILL CONSTITUTIONAL

Rail Measure Returned to White House By Officials.

(By Associated Press) Washington, February 27—The compromise railroad bill was returned to the White House today by the Department of Justice to which it was referred Wednesday for an opinion as to its validity. Attorney General Palmer informed the president that he saw no constitutional objection to the measure.

The president was expected to act on it today or tomorrow.

LIMIT BUSINESS OF THE BIG FIVE

Court Grants Injunction Which Confines Packers to Meat Industry.

AGREEMENT IS EFFECTIVE

Packers Agree Not Because of Guilt But to Assure American People There is no Monopoly.

(By Associated Press)

Washington, February 27—The agreed decree under which the "Big Five" packers are forever enjoined from engaging in any line of business other than that of handling meat and produce was listed for trial today in the District of Columbia Supreme Court.

After hearing statements by the counsel for the government and the packers Chief Justice McCoy signed the injunction making effective the agreement.

It was submitted by Attorney General Palmer who said it "removed the menace of control of unrelated industry by the Big Five and confined their activities in future to the business of distributing meat and its by-products."

Counsel for the packers in a statement to court said the decree had been agreed to by the defendants "not because of guilt for they had not violated any law but that the American people may be assured that there is not the remotest possibility of food monopoly by the packers."

STOCK REPORT

Market Active as Gains From One to Six Are Recorded.

(By Associated Press)

New York, February 27—Gains extending from 1 to 6 points were made almost at the outset of today's stock market session by a wide variety of issues. The undertone suggested a more cheerful sentiment in speculative circles due in part to yesterday's easier rate for call money.

Trading became quiet after the early demand had run its course but prices continued to advance. General motors dominated the list at an extreme gain of 10 points to 251½ or 23 points over its recent low. Oils, steels and specialties shared in the movement and before noon low grade rails reasserted their recent leadership. Standard issues also hardening. Improvement did not extend to the bond market, Liberty second fours and other issues of Victory notes sustaining further losses. Call opening at ten per cent.

PRICE ADVANCE GENERAL

Greater Increase in Food Price in Other Countries.

(By Associated Press)

Washington, February 27—Living costs have advanced more in seven foreign countries in 1914 than in the United States according to a comparison of retail food prices in nine countries including America made public today by the Bureau of Labor statistics. In Australia and New Zealand, however, the advance was less than in this country.

Taking July 1914 as the base point the bureau showed that retail prices of the principle food articles in the United States had increased by 88 per cent in September 1919 compared with advances of 116 per cent in Great Britain and 93 per cent in Canada, during the same period.

SENATE PASSES NEW RESERVATION

Few Democrats Against it.
Hitchcock Shows No Fight.

DEALS WITH MANDATORIES

Reservation Dealing With Domestic Relations Being Considered. Debate Parts of Article 10.

Washington, February 27.—The Republican reservation regarding mandatories, attached to the peace treaty last November over the opposition of 33 Democratic senators, was readopted by a vote of 68 to 4 in the Senate Thursday after the administration leaders had withdrawn their opposition to it.

It was the first time a qualification of the treaty had been adopted with the acquiescence of the Democratic managers and the first time more than two-thirds of the entire Senate membership had voted together in approving any reservation. The result was not generally regarded as indicating a sudden break in the Senate situation, however, since the reservation was one of those to which the Democrats had agreed in the recent bipartisan conference to accept without change.

Thirty Democrats and 38 Republicans were recorded in favor of the reservation after Senator Hitchcock, the Democratic leader, had declared on the floor that the effect would be only to restate a principle already established under the treaty itself and under federal laws. It provides in substance that no mandate could be accepted by the United States without the consent of Congress.

The four who voted in the negative were Senators Jones, New Mexico; Kendrick, Wyoming; Walsh, Montana, and Williams, Mississippi, Democrats. Explaining his vote, Senator Walsh declared he had "not the slightest objection to the reservation except that it is unnecessary." Senator Hitchcock did not vote.

Adoption of the reservation came after the treaty, laid before the Senate under a plan to keep it continuously under consideration until disposed of, had been subjected to another all-day attack by its irreconcilable opponents. Senators France, Republican, Maryland, and Reed, Democrat, Missouri, led the assault, the latter injecting a new element into the debate by criticizing President Wilson's appointment yesterday of Brainbridge Colby to be Secretary of State. Mr. Colby was defended by Senator Ashurst, Democrat, Arizona.

Although the much debated Article Ten reservation preceded that relating to mandatories in the Senate order of business, it was put over on motion by Senator Lodge, the Republican leader, to be considered after all the others had been voted on. There are 14 on the list, and action has been taken so far on only two.

A New Reservation

The reservation before the Senate when it adjourned last night relates to domestic questions, and its adoption without change, but over Democratic opposition, was forecast by the discussion of it Thursday. Two changes in language were proposed by Senator Lodge, but he withdrew them after Senator Borah, of Idaho, one of the Republican irreconcilables, had attacked them and Senators Hitchcock and Walsh had denied flatly Mr. Lodge's explanation that they were proposed by Democrats in the interest of compromise during the bipartisan negotiations.

NOTICE to the public: An unscrupulous manufacturer of this city has caused a report to be circulated that cigar-making is injurious to the health.

It might be injurious to his health if he does not retract this unfounded statement, and suggest that he might better meet conditions by paying living wages, same as we do, and quit making false reports. We emphatically and uncompromisingly assert that we consider the health of our workers of paramount importance, and that there is nothing detrimental to it in our work. In support of which we have a statement from the Medical Faculty of Philadelphia (who had 300 tobacco workers under their personal observation for one year) and reported that the tobacco industry was without doubt the healthiest business for male or female to work at of the 49 other industries which they investigated at the same time. We also have a statement covering above facts signed by the following medical men: Dr. H. W. Zech, Dr. W. H. Horning and Dr. Bowles. Seidenberg & Co., Branch American Cigar Co., Gettysburg, Pa.—advertisement

WANTED: A first class man as store manager. Must be able to make small investment and know local auto trade. Automotive Stores Corporation, Hagerstown, Md.—advertisement

WANT REPEAL OF PROHIBITION ACT

New York Democrats Take Firm Stand. Urge Speedy Death of Amendment.

Albany, N. Y., February 27.—New York state Democrats, through their delegates, assembled in unofficial convention here today, selected the delegates-at-large and the alternates-at-large to the Democratic National Convention at San Francisco, adopted a party platform, and, by resolution, instructed the delegation at San Francisco to vote as a unit on all matters.

The delegates-at-large, selected after long hours of conference, are Governor Alfred E. Smith and Miss Elizabeth Marbury, of New York; Miss Harriet May Mills, of Syracuse, and Louis Desbecker, of Buffalo.

The alternates are: Edward Rieckmann, Brooklyn; Mrs. Maurice E. Connolly, Queens county; Winfield A. Huppuch, Washington county; Nettie M. Hewitt, Jefferson county.

The vote taken yesterday by the woman's committee of 1,000, in which Mrs. Elizabeth V. Colbert, of Albany, led all contestants more than two to one, did not receive very weighty consideration at the hands of the slatemakers. Before the convention was convened there was a caucus of the women delegates, at which the women selected as delegates-at-large and alternates were chosen.

Lunn Carries Point
There was only one flurry during the three hours the delegates were in session. This came when Mayor George R. Lunn, of Schenectady, endeavored to substitute for a platform plank calling for repeal of the federal prohibition amendment, a plank recommending an amendment to the federal Constitution providing that hereafter all federal amendments be submitted to direct vote of the people for ratification. After considerable fervid oratory, the Lunn amendment was defeated as a substitute for the repeal plank, but immediately afterward, on motion of another delegate, it was added as a separate plank.

The platform declared that the Democratic party of the nation had enacted more constructive and progressive laws "in a half dozen years than the Republican party in a half century," demanded immediate ratification of the peace treaty, endorsed the administration of Governor Smith, congratulated President Wilson on his steady recovery of health, opposed restrictions upon free speech and declared in favor of repealing the federal prohibition amendment.

WAY TO OUST PRESIDENT

Judiciary Committee Determining Meaning of "Disability."

Washington, Feb. 27.—What constitutes "inability" of a President of the United States to perform the duties of this office and how this question may be determined was discussed Thursday from all angles by the House Judiciary Committee in opening hearings on four measures relating to mode of procedure.

Emphatic objection was expected by members of the committee to certain provisions of a bill offered by Representative Madden, Republican, Illinois, which would give the cabinet power to declare the President "unfit" after being ill or absent from the country six weeks.

Mr. Madden said he was trying to suggest a short way out of the difficulty, adding that the cabinet, naturally in harmony and sympathy with a President, would not be inclined to do violence to his rights.

"Why does your bill fix March 4 as the date it is to take effect?" asked Representative Morgan, Republican, Oklahoma.

"Simply to take the present President out of the discussion," Mr. Madden replied. "I do not want President Wilson to think this legislation is aimed at him."

Representative Husted, Republican, New York, thought the plan gave "tremendously wide discretion to the cabinet," which amounted to absolute power over the President.

COUNTY MAN DROPPED DEAD

McSherrytown Resident Dies Suddenly While at Work.

Calvin A. Chronister, an employe of the Hanover Bending company, residing along the Oxford road, near McSherrytown, fell over dead while at work in their lumber yards at 4 p. m. Thursday.

Death was probably due to heart trouble. He was aged 54 years, 6 months and 16 days, and was a son of Singleton and Rebecca Chronister, of Adams county. He was married to Sarah R. Enlet, and is survived by the following sons and daughters: Curtis, New Oxford; Merle, York; William, Hanover; Mary, Melvin and Pauline, at home. Also by one brother, Jacob, of York, and a sister, Mrs. Frank Sadler, Palmyra. He was a member of the Eagles, of Hanover.

NO SPOILS OF WAR GOES TO ITALY

Wilson Will Withdraw Treaty Unless Allies Keep the Faith.

PUBLISH ALL THE NOTES

President's Messages Sharp. Premiers Say Changes in Opinion Have Occurred Since Proposal Was Made.

Washington, February 27.—President Wilson in his reply to the British and French premiers on the Adriatic question adheres to his previous decision that unless the terms of settlement are returned to the provisions of the agreement of December 9 he "must take under serious consideration" the withdrawal of the treaty of Versailles and the French alliance from the Senate.

The response of the premiers was dispatched from London Thursday, but had not been received last night in Washington.

With the exception of this note, the exchanges on the subject including the December 9 agreement, and the subsequent agreement communicated to Jugo-Slavia last month by the British and French premiers were made public today by the State Department.

Holding that the provisions of the agreement sent as an ultimatum to Jugo-Slavia would merely continue "the old order of things which brought so many evils on the world," President Wilson in his first communication to the Entente Premiers declared that if such were made effective the time had not come "when this government can entertain a concert of powers, the very existence of which must depend upon a new spirit and a new order." The note then added:

President's Sharp Threat

"The President desires to say that he must take under serious consideration the withdrawal of the treaty with Germany and the agreement between the United States and France (the Franco-American treaty) which are now before the Senate."

Premiers Millerand of France and Lloyd George of Great Britain in reply stated that changes in opinion and circumstances had occurred since the original proposal to which the United States was a party was drawn, which changes evidently were not fully appreciated in the United States.

France and Great Britain, the Premiers' note stated, consequently "view with consternation" the threat of the United States to withdraw from the League of Nations. Hope is expressed by the Premiers that the United States "will not wreck the whole machinery" for dealing with international disputes "because the position of the United States is not accepted in a particular case."

In his last note the President reiterated in an emphatic manner his stand from which he asserted there could be no departure as the course decided upon by the Premiers would be "short-sighted and not in accord with the terrible sacrifices of the entire world which can be justified and ennobled only by leading finally to settlements in keeping with the principles for which the war was fought."

December 9 Agreement
The joint memorandum of December 9 subscribed to by France, Great Britain and the United States, and which it was supposed here settled the Adriatic question, provided in substance the following:

Istria was to have a frontier which, while "widely overstepping" the recognized ethical line between Italy and Jugo-Slavia would have given to Italy more than 200,000 Jugo-Slavs and further extended eastward to give Italy territory in the region of Albania also including Jugo-Slavia. A buffer state between the Italian territory and Istria and the Serb-Croat-Slovene kingdom, containing some 200,000 Jugo-Slavs, as against 40,000 Italians, was to be placed under the League of Nations. The so-called Assling region was to be permanently demilitarized. There was to be a free state of Fiume under control and for future determination by the league with full autonomy for the city of Fiume.

SECOND LARGEST SALE

Steers. Bring \$10.20 A Hundred Pounds. Total Sale \$8,000.

The second largest public sale in the county was conducted Thursday by Harry Shireman, on the William Spangler farm, near East Berlin. This farm adjoins the Burgard farm on which the largest sale for the season was conducted Wednesday. Both were auctioneered by Abraham Roth, of Abbotstown.

This sale amounted to \$8,000. Nine head of mules were sold at \$671 and \$400 per pair; two pairs of two year olds, \$420 and \$250; single mule, \$190; two horses, \$100 and \$190; 15 head of cows, \$90 to \$220; five calves, four weeks old, \$30 to \$50; nine steers, \$10.20 per hundred pounds; 25 shoats \$13 to \$30; 10 h. p. engine and threshing machine, \$125; wagon and bed, \$115; binder, \$150; grain drill, \$150. Frank Hoke and Claud Hamme were clerks.

Word was soon spread about the courthouse that Mrs. Doherty had given birth to twins, the fifth pair in their married life in 10 years. Two of the twins died, but the strangers are a boy and girl. At the house it was said the mother and twins were doing well.

TWINS FIVE TIMES

New York Judge Father of Ten Children In As Many Years.

New York, February 27.—Judge Doherty of the Court of Common Pleas in Jersey City, was just leaving the bench for his home when a flustered young man whispered something in his ear.

"My!"

"Thanks!"

"Fine," said the judge smilingly. "That's the fifth time, you know," he said, as he started off with the young man.

Word was soon spread about the courthouse that Mrs. Doherty had given birth to twins, the fifth pair in their married life in 10 years. Two of the twins died, but the strangers are a boy and girl. At the house it was said the mother and twins were doing well.

URGES TEACHERS TO SHUN UNIONS

National Educational Association in Session in Cleveland Hits Bolshevism.

Cleveland, O., February 27.—A call to arms against seditious organizations and Bolshevism was sounded Tuesday by the country's leading educators in various meetings of organizations affiliated with the National Educational Association in convention here.

Interest of the 8,000 delegates was divided between the perils of Red radicalism and the need of the public schools for more revenues with which to fight Bolshevism and to enlarge the work of the schools.

At a general session Thursday morning of the superintendent's section 4,000 delegates wildly cheered an address of W. C. Bagley, professor of education, Teachers' College, Columbia University, who urged immediate passage by Congress of the Smith-Towner bill, providing a secretary of education in the president's cabinet and an annual federal school appropriation of \$100,000,000. At the conclusion of the address the delegation arose and voted in favor of the bill without a motion for a vote being made.

W. P. Burris, dean of the University of Cincinnati, spoke against the bill, saying that education must be removed from politics.

A national organization of teachers on a professional basis to offset the tendency of teachers' groups to affiliate with labor was advocated by L. D. Coffman, dean of education University of Minnesota, at this morning's session of the department of superintendents.

This is the first time in the convention that the sentiment prevailing in many of the smaller group meetings had been openly pronounced in the general sessions.

"Affiliation of teachers with labor unions would be a blow at the foundations of democracy," he said, "for teachers owe their allegiance as public servants to the public and not to any one class."

"This allegiance would be divided and would open the way for class control of education and a lowering of the professional standards. Teachers and labor unions would sacrifice much of their public support by such affiliation."

LEAGUE ELECTS

Woman's Organization Held Silver Tea. To Stage Bazaar.

The Woman's League of Pennsylvania College held one of their silver teas on Thursday afternoon in the lecture room of the Christ Lutheran church. The hostesses were Miss Anna Reck, Mrs. H. T. Weaver, Mrs. S. F. Snyder, Mrs. John Brehm, Mrs. E. E. Slaybaugh, Mrs. Milton Roth, Mrs. Chester N. Gitt and Mrs. H. B. Nixon. There was an attendance of about sixty ladies and an offering of more than thirteen dollars was received.

Miss Borge entertained the audience with several solos which were much appreciated and enjoyed. The room was beautifully decorated.

At the annual election of officers which took place at the meeting the following were elected to office:

President, Mrs. G. D. Stahley, vice presidents, Mrs. H. M. Hartman, Mrs. Robert Miller, Miss Hattie Krauth, Mrs. E. H. Markley, Mrs. Milton Valentine, Mrs. Karl Grimm; corresponding secretary, Miss Kate Gilbert; recording secretary, Mrs. William Miller; treasurer, Miss Lily Dougherty; assistant treasurer, Mrs. Felton. The League will hold a bazaar and rummage sale combined on April 9. The women have requested that any one having aprons, tea towels of rummage to remember the Woman's League and the date.

SECOND LARGEST SALE

Steers. Bring \$10.20 A Hundred Pounds. Total Sale \$8,000.

The second largest public sale in the county was conducted Thursday by Harry Shireman, on the William Spangler farm, near East Berlin. This farm adjoins the Burgard farm on which the largest sale for the season was conducted Wednesday. Both were auctioneered by Abraham Roth, of Abbotstown.

This sale amounted to \$8,000. Nine head of mules were sold at \$671 and \$400 per pair; two pairs of two year olds, \$420 and \$250; single mule, \$190; two horses, \$100 and \$190; 15 head of cows, \$90 to \$220; five calves, four weeks old, \$30 to \$50; nine steers, \$10.20 per hundred pounds; 25 shoats \$13 to \$30; 10 h. p. engine and threshing machine, \$125; wagon and bed, \$115; binder, \$150; grain drill, \$150. Frank Hoke and Claud Hamme were clerks.

CARD OF THANKS

I wish to thank my many friends and neighbors who so kindly assisted me during the illness and death of my husband, Mrs. Annie Evans.—advertisement

PERSONAL NOTES AND BRIEF ITEMS

News Notes From Around Town and Throughout the County.

MANY DAILY VISITORS

Mention of Guests From Nearby Towns. Short Paragraphs of General Interest.

TO HOLD STATE SAFETY CONGRESS

Will Work Out Practical Program That Will Touch Every Industry.

A Pennsylvania State Safety Congress has been called to meet in the State Capitol the week of March 21 by Commissioner of Labor and Industry C. B. Connelly to work out "a practical program for industrial safety that will touch every industry in the Commonwealth." It will conclude with the tenth conference of industrial surgeons and physicians. All of the meetings will be general with no departmental conferences or commercial exhibits.

"The demands of the great war upon industry and the consequent lowering of standards of industrial safety, the period of readjustment and the industrial unrest make it imperative that Pennsylvania meet the challenge of the hour," says the Commissioner in calling the conference. The housing committee of the Harrisburg Chamber of Commerce, the Rotary and Kiwanis Clubs and State authorities will assist in securing quarters for those attending.

Commencing with religious services on Sunday, March 21, the conference will continue until March 25. The themes include cost of industrial accidents, economic waste due to relations between foremen and employees, co-operation, "safety as a community proposition" on which the Governor will speak; co-operation between Federal and State governments; public utilities and their hazards; women in industry and Americanization and how it can aid industry.

'ATTACK STORY OF STENOGRAPHER

Socialists And Policemen Repudiate Testimony at Socialist Trial.

Albany, N. Y., Feb. 27.—The defense in the trial of the five suspended Socialist Assemblymen charged with disloyalty late Wednesday produced two policemen who denied the allegation by a prosecution witness that Charles Solomon, a defendant, spat on the American flag at a Socialist street corner meeting in Brooklyn in 1917.

In introducing its evidence regarding the flag incident, the defense called Assemblyman Solomon to the stand for a few minutes to fix the time of the Brooklyn meeting described by the prosecution witness—Miss Ellen B. Chivers, an 18-year-old stenographer, the credibility of whose testimony previously had been attacked by a member of the Assembly Judiciary Committee, which is conducting the hearings.

Then Police Captain Charles A. Zanes and Patrolman Edward T. Cody, two of a half dozen policemen attending the meeting, denied the story of Miss Chivers that Solomon had his stand decorated with red flags. They also testified they had not seen the speaker refuse to relinquish his platform to a recruiting party which had driven up in a "bus" and stopped nearby. Miss Chivers had declared Solomon had informed the soldier "the gutter is good enough for you."

PRAY FOR SHOE SLAVES

Chinese Say Americans Are Slaves of Fashion.

Reading, Pa., Feb. 27.—American women who pray for Chinese women with foot bindings will themselves be prayed for by Chinese Christian women when the latter see the pencil-toed shoes her American sisters wear, said Dr. Newton Dubbs, United Evangelical missionary superintendent in Changsha, China, speaking at the Evangelical Association's East Pennsylvania Conference here Thursday. "China has scientific farming, demonstration trains, good railroads, great industrial plants and a great merchant marine. Not all the people live on rice, as you suppose. They eat meat, vegetables and as good food as many Americans; their literature and civilization are profound."

OKLAHOMA RATIFIES

Woman Suffrage Amendment Passes Lower House Easily.

Oklahoma City, Okla., Feb. 27.—The Oklahoma House Wednesday passed a joint resolution ratifying the Federal woman suffrage amendment after nearly six hours' debate, by a vote of 74 to 14. The resolution was sent at once to the Senate and was given its first reading. Consideration will be resumed Thursday.

It is a shame
To look upon the holy sun, to have
The benefit of his blest beams, and
live
In idleness.

—Shakespeare.

BOTH PHONES GETTYSBURG, PA.

Last Chance of the Season Special Sale

With a great deal of difficulty we have succeeded in obtaining another car, 20,000 pounds, of those famous Whiting's, to sell at another special sale, starting today. To be sold at prices that mean you save money by bringing your basket here and buying another dollar's worth that will again keep out the high cost of living.

1 lb.	8 cts
2 lbs.	15 cts
3 lbs.	20 cts
8 lbs.	50 cts
18 lbs.	\$1.00
50 lbs.	\$2.50

Ask your neighbor how good they are. The storages refuse to sell any more at these prices, so this will positively be the last car this season.

W. L. EVERE HAFER, Publisher DONALD F. KELLER, Editor

Entered August 18, 1904, at Gettysburg, Pa., as second-class matter, under Act of Congress, March 3, 1879

RATES: Single copies to non-subscribers, 2 cents.

Subscriptions served by carrier in Gettysburg for 40 cents per month.

Mailed outside of Gettysburg for 40 cents per month.

Our advertising columns are open to all candidates of all parties.

Publication of all news dispatches credited to it or not otherwise credited in this paper and also the local news published therein. All rights of republication of special dispatches herein are also reserved.

If you receive THE TIMES by mail you can find the date up to which you are paid on the pink address label on your paper. The date will be changed within ten days after your money is received at the Times Office.

A number of complaints are received from readers of The Times because of late receipts of our issue sent through the U. S. Mail, and we take occasion to suggest that we have no control over the publication after its delivery to the Post Office Authorities, any delay in transit should be immediately reported to the Post Office Department, Washington, D. C.

SPORTING COLUMN

IRA PLANK CONCERNED

Hopes None of His Star Players Will Get Scarlet Fever.

No member of the local board of health nor of the college faculty is more vitally interested in the progress of the scarlet fever scare at Gettysburg College than Ira D. Plank, of Gettysburg, who already has signed to coach the baseball team in the spring and is counting upon all his men reporting for practice in a few weeks in first class condition.

Two of the seven men affected by scarlet fever are football players, as Arthur Fuhrman, Hanover, one of the first men to contract the disease, played tackle upon the Varsity eleven last fall and Quay Overmiller, from near York, was a member of the Reserve squad.

Football, however, has been slightly touched by the scarlet fever in comparison to basketball as Coach Doyle Leathers has been forced to cancel all the remaining contests on the schedule and will not have an opportunity of re-arranging any of the games unless the observation quarantine is lifted in the near future.

With one sport affected slightly and another ruined by the scarlet fever Coach Plank has a right to feel concerned as confined within the walls of college dormitories have been "Rube" Yarrison, hard hitting outfielder; Jackie Kyle, first sacker; "Ginger" Gingrich, Keystone guardian; Shortstop Redcay; Infielder Starr, and Outfielder Hersh, all of whom are counted upon as regulars for the coming baseball season.

SCHERDEL REJOINS "CARDS"

William ("Kid") Scherdel, the Hanover twirler, now of New York City, left Thursday for Brownsville, Texas, to join the St. Louis Cardinal baseball team of the National League, and begin spring training.

Clifton ("Lefty") Heathcote, of Glen Rock, also left to join the Cardinals. "Lefty" has been starring the past two seasons with the Cards and according to some sports writers in the country, he is rated as a second Ty Cobb.

Stopping to Think.

More good is done by stopping a minute to think before you act than by the regret of a lifetime.

(MISS) IDA FOHL

Reagle, Auctioneer.

Also at the same time and place I will offer my property.

(Medical Advertising) Catarrh Germs

Move Out When Hyomei Moves In

No stomach dosing. Hyomei is made chiefly of oil of eucalyptus taken from the eucalyptus forests of inland Australia, and combined with other excellent antiseptics.

In inland Australia the atmosphere is so impregnated with balsam thrown out by the eucalyptus trees that germs do not thrive, and in consequence coughs, colds, catarrh and other nose and throat afflictions are practically unknown.

Breathe Hyomei and get the same pleasant germ killing effect as you would get in the eucalyptus forests. Hyomei is sold by druggists everywhere and by People's Drug Store on a guarantee of satisfaction of money refunded.

MI-ONA Ends Indigestion

It relieves stomach misery, sour stomach, belching and all stomach disease or money back. Large box of tablets 60 cents. Druggists in all towns.

(Medical Advertising) BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.

Beggs MUSTARINE

Chemist Beggs Says

When aches and pains distress you and keep you uneasy and unfit just rub on a little Beggs' Mustarine. It cannot blister even though you'll find it many times stronger than anything else you can buy.

There's lots of things that will give temporary relief for

Bronchitis Sore Throat

but I want you to remember, if you want lasting relief, that heat is absolutely necessary to reduce the inflammation and scatter congestion. Heat eases pain and heat is just what you get when you use Beggs' Mustarine for lumbago, neuralgia, sciatica and rheumatic pains and twinges. 30 cents.

(Medical Advertising)

NEW TREATMENT THAT KNOCKS RHEUMATISM

75c BOX FREE TO ANY SUFFERER Up in Syracuse, N. Y., a treatment for rheumatism has been found that hundreds of users say is a wonder, reporting cases that seem little short of miraculous. Just a few treatments even in the very worst cases seem to accomplish wonders even after other remedies have failed entirely. It seems to neutralize the uric acid and lime salt deposits in the blood, driving all the poisonous clogging waste from the system. Soreness, pain, stiffness, swelling just seem to melt away and vanish.

The treatment first introduced by Mr. Delano is so good that its owner wants everybody that suffers from rheumatism or who has a friend so afflicted, to get a free 75c package from him to prove just what it will do in every case before a penny is spent. Mr. Delano says: "To prove that the Delano treatment will positively overcome rheumatism, no matter how severe, stubborn or long standing the case, and even after all other treatments have failed, I will, if you have never previously used the treatment, send you a full size 75c package free if you will just cut out this notice and send it with your name and address with 10c to help pay postage and distribution expense to me personally." P. H. Delano, 1148-E Wood Bldg., Syracuse, N. Y. I can send only one Free Package to an address.

BILL TO RAISE RATES

Manager Says Serious Problems Are Facing Company.

Problems created by higher prices, wages and everything used in the operation of telephone lines, is related by William Bradford, Harrisburg manager of the Bell Telephone Company in an interview Thursday.

Mr. Bradford asserts the company is trying to operate on rates based on 1911, 1912 and 1913 living conditions.

"The advertisements which we are running tell their own story. A little of the history leading up to the present situation might prove of interest.

"You will recall that in 1917 the Public Service Commission of Pennsylvania reviewed our rates and approved the schedules. They based their studies on material and wage prices of 1911, 1912 and 1913. Then the war came on and the Government took over all telephone and telegraph properties. The increase in wages and material costs threatened the Government with a deficit. So Uncle Sam found it necessary to increase charges for both tolls and exchange service.

Back to 1917 Rates

"On December 1st as the properties had been turned back to private owners, the Public Service Commission ordered us to return to the 1917 rates. You understand that when the Commission approves a rate schedule, that schedule is to remain in force for three years, and the three years period does not expire until April of this year."

ARMY AVIATORS KILLED

One of Them Was Lieutenant Foreman of Baltimore.

Panama, February 27—Two United States Army aviators were killed Thursday when their plane crashed from a height of 5,000 feet at Agua Dulce. They were Lieutenant Foreman and Lieutenant Vaughn, and were engaged in a flight from France Field to David, about 200 miles distant from Panama, carrying mails.

Lieutenant Foreman was pilot of the machine. He hailed from Baltimore, Md., and served in France.

Lieutenant Vaughn, the observer, was from Texas. His father is Circuit Court judge at Honolulu.

A submarine chaser has been dispatched to Agua Dulce to bring back the bodies.

Miss Lola Hartman spent a day recently with Mrs. William Cooley.

Miss Helen Andrew, of McKnightstown, has returned to her home after spending some time with her sister, Mrs. Melvin Lower, who had been on the sick list.

Mrs. Clayton Shope spent an afternoon recently with her uncle and aunt, Mr. and Mrs. S. J. Taylor.

DEFAULTED IN DIVORCE SUIT

Daniel G. Reid Drops His Action Against His Third Wife.

New York, February 27.—Daniel G. Reid, who organized the tinplate industry and is prominent in railroad and other financial circles, defaulted Thursday in the divorce suit which he brought against Margaret Carrere Reid, former actress, his third wife.

Mrs. Reid was in Part II of the Supreme Court ready to go on with the trial in which she herself seeks a divorce in the form of a counter-claim. Ex-Judge W. M. K. Olcott, counsel for Mr. Reid, did not take part in the examination of witnesses for the jury.

When Judge Olcott was asked why he did not take part in the examination of the jury, he said:

"Mr. Reid has intentionally defaulted as plaintiff in this case. Mrs. Reid seeks divorce on her counter-claim so that it will be necessary for her to go on if she thinks she can prove her case. In short, Mr. Reid no longer seeks a divorce. It is Mrs. Reid, who wishes a decree in her favor."

PUBLIC SALE

ON

WEDNESDAY, MARCH 3, 1920

The undersigned having purchased a small farm will sell at public sale on the above day and date at his present residence on the farm of C. B. Harbaugh, one fourth mile south of Fairfield, on the road leading to Liberty Hall, the following personal property:

FRIDAY, MARCH 5, 192

COUNTY SCHOOLS WILL SOON CLOSE

(Continued from First Page)

years many teachers will take the spring courses at various normal schools in the State. Mr. Roth is urging all teachers holding certificates to take up courses that will enable them to secure the professional certificate. At the same time he is advising those who have the professional certificate to make an effort to get the State diploma.

Mr. Roth in announcing the dates for the spelling contests and central and final examinations pointed to the fact that the teachers were now receiving more salary and that at the same time the requirements of the school had been increased. He said it was the duty of every teacher to make a determined effort to secure higher ratings under the state system of grading teachers.

GEORGE PATTERSON

Medical Advertising SAVAGE HAS RED BLOOD IN VEINS

Civilized Man Lacks Exercise
and Air-Organisms Become
Weakened.

"Nine out of every ten people in most communities like this suffer from nervousness, of from stomach and liver troubles, kidney and intestinal ailments, imperfect digestion, gastritis, headaches or lack of ambition," said the Tanlac Man.

"This is all due to our present faulty methods of living, and is more prevalent in civilized sections than in the jungle, because the savage loves outdoor exercise and air. The civilized man eats rich food, lives in stuffy houses and never walks when he can ride. The result is that his stomach fails in its duties; his kidneys and other organs become clogged with waste matters, and he finally yields to poisons generated within his own body."

Tanlac, which is daily demonstrating its miraculous powers to overcome derangements arising from misused vital organs and to restore and keep up the mental and physical vigor of youth, is sold here by People's Drug Store and all leading druggists.

PUBLIC SALE

ON

SATURDAY, MARCH 6, 1920.

The undersigned having sold their farm situated in Straban Township, on the road leading from the Carlisle road to the Hunterstown Road, three miles north of Gettysburg, will sell at public sale of all stock and farming implements, consisting of the following:

Easy on your feet — extra thickness where the wear comes

TIMBERING a working place, boring, blasting, "topping up" cars for hours at a stretch—the hardest work you do is made twice as hard if your rubber shoes go bad.

It's cold, wet feet if they leak—blisters and sores if they don't fit.

Made on a good comfortable last, absolutely water-tight—that's the new U. S. Bootee, made especially for miners. Get a pair of them before you start work tomorrow.

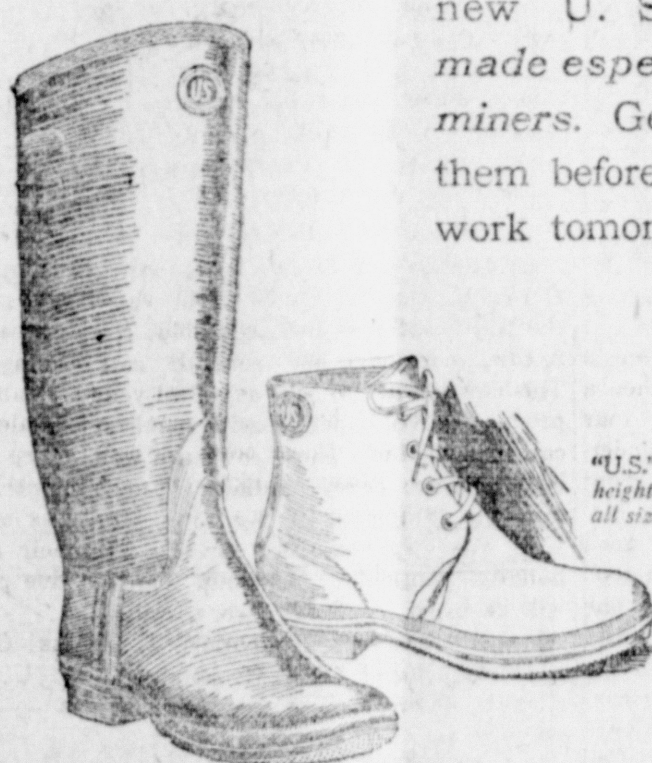

Every pair is backed up with extra thicknesses of pure rubber and good strong fabric where the wear is hardest.

Every pair is made with plenty of room at the toes and shaped so as not to rub up and down at the heel.

Go to the store and see for yourself the U. S. Bootee for miners—the high with six eyelets, the low with four. Ask for U. S. Rubber footwear—it means solid wear and long service for your money.

FOR FARMERS, TOO

Built especially to stand up under hard use in mines—the hardest possible kind of wear—the U. S. Bootee and the U. S. Boot are now being adopted by farmer everywhere who know the value of sturdy, comfortable rubber footwear.

"U.S." Boots—made in all sizes and styles, white, red and black

"U.S." Bootee—comes in two heights, 6 eyelets and 4 eyelets; all sizes, white, red and black

BY ALLMAN

To the Woman Looking for the Smart "Tailleur" Suit

The closely fitted waist with a slight ripple over the hip shows one of the newest interpretations of the strictly "Tailleur". Details of nicety, such as hand embroidered arrows as a finish for the seams add to the smartly tailored tone.

Not quite so severe, perhaps, but still in the strictly tailored group is this suit of men's wear serge. The snug sleeves and mannish cut of the collar, together with the simple straightness of the skirt, are all harmonious features.

Tailored simplicity is always good. It's the things that are left off as much as the things that are put on that give just the right tone of smartness to the tailored suit. Poiret Twill, Serges and Tricotine carefully tailored with every attention to details are used in these Wooltex suits. Prices on these suits range

**From \$35.00
To \$75.00**

We strongly recommend that you look for the Wooltex signature in your new spring suit. Let us show you our newest models.

The Store That Sells Wooltex

UNITED CIGAR STORES

Announcement

The new store, located at No. 34 Baltimore Street, known as The Steven's Drug Store, has been purchased outright by the former manager, C. Ross Shuman, and will be known as Shuman's Medicine Store. The business will be conducted along the same plan as heretofore with quality and service always as the slogan.

We carry a full line of patent medicines, rubber goods and toilet articles, and order in quantities, that always assure fresh goods. Special orders for goods out of our line will be promptly filled.

We take special pride in our soda fountain and the quality of our sundaes and sodas, keeping the fountain and equipment in such condition that they are open for inspection at all times. One trial will make you a regular customer.

We are the sole agents in Gettysburg for the United Cigars, and have a line of more than one hundred brands of cigars which cannot be duplicated by any other store either in quality or condition for the reason that our cigars are kept in thoroughly modern cases, equipped with moisteners.

With every purchase of tobacco we give a coupon, equal to Five Per Cent of the purchase, which if you have not taken advantage of, means a loss to you of some valuable premiums.

In order to introduce one of our famous brands, we will sell on Saturday, February 28th, only, Dubonnet Perfectos in boxes of twenty five (25) for Two Dollars (\$2.00), usually Three Dollars (\$3.00), and in addition will give Five Dollars worth of coupons with a Dollar purchase of tobacco.

Your patronage is solicited and will be appreciated.

What do you pay for everything?

YOU pay about double what you did before the war—don't you?

Telephone supplies cost about double, too.

We can't make ends meet, because—

Telephone rates are just what they were before the war.

The service cannot be kept up if the rates are not made adequate.

It's your service.

Spring is only a month away—four weeks—no time at all—plan, get ready—and spring will be here.

Men's Dept.

If you want the feeling that you are absolutely correct in style for Easter Day you want a pair of Emerson shoes.

We are showing a wide variety of Emerson styles for Spring.

Shoes Fitted Correctly

will never cause foot troubles. Our salesmen have been trained to understand feet and to fit shoes.

Special

This week only canvas work gloves, 19c pr. or 2 prs. 35c. Regular 50 leather gloves now 39c.

Ladies' Dept.

New Spring Coats and Suits are here. A wide variety of styles and models in all the new materials and shades. Exquisitely designed. The new materials are lovely, deserving of the expert tailoring which they have received, and in our extensive collection you will be certain to find the very model most becoming to your individual type.

Special

This week only Ladies' regular \$2.25 gowns, now \$1.89. Ladies' regular \$2.00 gowns, now \$1.69. Ladies' regular \$1.75 gowns, now \$1.49.
